AUCTION SALES.

DUBLIC SALE OF VALUABLE REAL ES-TATE.-Under authority of a decree of the Circuit Court of Fairfax County, Va., rendered at the June term, 1860, in the suit of Carter, against Look and others, the undersigned, commissioners therein named, will, on Monday, the 17th day of September, 1860, (that being Court day.) at the front door of the Court House of the said County of Fairfax, offer at public auction, that portion of the valuable TRACT OF LAND called "RED HILL," containing by recent survey 960 ACRES. This land lies partly in the County of Fairfax and partly in the County of Prince William. The portions situated in the respective counties will be sold separately. The independent line of the Manassas Gap Railroad passes by or through the land, and it is near a contemplated depot. The land is considered the very best and most productive in that region of country, and is of the red clay soil, there held in such high estimation, and is well adapted to the production of all kinds of grain and grasses. There is an abundance of wood on the land and it is proverbially healthy.-The buildings are comfortable.

TERMS OF SALE .- Ten per cent of the purchase money to be paid in cash, on the day of sale as a deposit to be forfeited on the failure of the purchaser, to complete his purchase, the residue of the purchase money to be paid in three equal instalments in 6, 12 and 18 months from the day of sale, with interest from the day of sale, to be secured by the bonds of the purchaser, and the title to be retained until the purchase money is fully paid, the land to be resold at the will of the purchaser, upon his default at any time to pay the cash deposit or the deferred instalments. Possession at once given.

Commissioners of Sale. COMMISSIONER'S SALE OF LAND.-PINE GROVE.-In anticipation of a decree of the Circuit Court of Stafford in September, I advertise for sale, this most desirable tract of LAND, which I propose to offer at public auction, on the premises, on the THIRD DAY OF OCTOBER NEXT. It is situated in the county of Stafford, on the Rappahannock river, just opposite to Fredericksburg, and overlooking the town. The location is a remarkably healthy one, with all the advantages of the best society, and easy access to churches and schools. The owner of this farm has the privilege of crossing the bridge free of toll.

The BUILDINGS are old, and out of repair, but the natural beauty of the situation

would render the place, with proper improvements, one of the handsomest in the vicinity. There is a fine VINEYARD, and an excellent and productive GARDEN. The tract contains 660 acres of LAND, (subject to survey,) well watered, and with an abundance of finely timbered Woodland. The portion of the farm on which the house is situated contains about 89 acres, and is detached from the main body of the land by the public road leading to Chatham bridge-all arable land of the finest quality. The remainder of the land, though not in so high a state of culti-

At the same time and place, I shall offer for sale, all the personal property, consisting of Crops, Horses, Mules, and Cows, Farming implements, Household and Kitchen Furniture, belonging to

AND FOR SALE .-- Benjamin F. Fairfax and dothers, vs. John A. Fairfax and others. In pursuance of a decree rendered in the above cause, by the County Court of Fairfax, at its January term, 1860, the undersigned Commissioners will offer at public sale at Fairfax C. H., ON MONDAY, the 17th of September, 1860, (Court lay) the following tracts of land, late the proper-

Lot No. 1, containing 81% ACRES, one moiety of which belongs to James M. Fairfax, but it is to be sold entire. Lot No. 2, contains 172 ACRES.

Lot No. 3, contains 148 ACRES, 3 ROODS, 27 POLES. These Lots bind upon Wolf Run, with the exception of Lot No. 2, which adjoins Lot No. 3. and are situate about 8 miles south of Fairfax C. H., and adjoin the lands of Francis C. Davis, M. Woodvard, and others, in an improving neighbor-

TERMS OF SALE :- One-tenth in hand, the balance in three equal instalments at six, twelve, and eighteen months from the day of sale, the deferred payments to bear interest, to be secured by the bonds of the purchaser, and deed of trust upon the premises, and the property to be re-sold at the risk of the purchaser upon failure to com-

MARM FOR SALE .- The subscriber wishing to engage in other business, offers for sale on accommodating terms the farm on which he resides, lying in the bend of the Rapidan river, known as Fox Neck, in Culpeper county, distant 20 miles from Fredericksburg by Plank Road, and 12 from Brandy Station, Orange and Alexandria Railroad, and containing by recent survey 874
ACRES, with good DWELLING, barn, stables, ice house, &c.

The quality of the land is of the best in Culpeper being well set in grass, and admirably adaped to the growth of wheat having produced a good crop the present year without Guano. It is very suitable from its location, &c., for a sheep farm as adjoining it is a woollen factory which will be in operation as soon as the dam is finished. As a corn farm it is unsurpassed, the average erop for the last four years has been 80 barrels to the hand, (this year it will be more.) On it there s a large quantity of river low grounds and second

ow grounds quite as valuable. The healthiness of this place is undoubted as the "oldest inhabitant," cannot recollect a case of fever of any sort on it. Persons wishing to purchase will do well to ap-

land, containing 140 ACRES, situated in the county of Ruppahannock, near the village of Woodville, the graded road from said village to Voss' shop runs through this land. There is a merchant and grist mill (the former requiring some repairs) upon the land; the DWELLING and out-houses are sufficient for the accommodation of

for building and fencing, the land originally very

good; it having been tenanted out for some ten

years past has consequently been injured. I can say with confidence there is but little, if any land any where, more susceptible of improvement by the use of clover and plaster, combined with a proper course of cultivation. Persons wishing to purchase such a tract of land it is presumed will first visit the premises; when the terms will be made known. Possession for seeding given this fall and full possession on the
